HAVE for years built a large variety of various styles of CARRIAGES and WAGONS; they have been in use among our people, and have given satisfaction in every instance as far as I have been able to ascertain. Through this experience I have learned what vehicles suit the people best, and what are best adapted to their wants. I manufacture a handsome wagon known as the

Whitney Side-Bar Spring very neat and stylish in appearance, and a very pleasant riding wagon. Also all styles and pat-terns of Carriages. Buggies, Jaggers, Jenny Linds and Phetons. I keep on hand a large stock, but am prepared to fill orders at short notice. Prices suited to the times, and satisfac-tion guaranteed. A liberal discount allowed on old vehicles in exchange for new ones. I use altogether the Old Reliable
